I'm still having the same problem as yesterday with the website as it only brings up info on the Maps Tab under Waterfront and Downtown Amenities.

Nothing under the following Maps Tab:

1. Waterfront Development
2. Downtown Development
3. Properties for Sale
4. Properties for Lease

5. Tab-Economic Info: Provides numerous web site addresses
6. Tab- News: Just Banner - Latest News
7. Tab- About: Just Banner - About SPPOA
8. Tab-Contact: Just Banner -Contact Us

Hi Bob,

How about that speedy commute this morning?

When you get a chance can you please try and look at the website again? Yesterday we experienced a "high usage" day (which is a good problem to have) and we reached our capacity with our web hosting provider. We fixed that problem yesterday so I wanted to see if you still had issues visiting the site.

Thanks.
